

## **ANAYSIS OF FEEDBACK RECEIVED FROM TEACHERS**

### **SESSION 2023-24**

The Internal Quality Assurance Cell of Maharani Lakshmi Bai College designed the teacher feedback and analysed .A feedback from the faculty pertaining to their satisfaction in the modelling of curriculum plays a pivotal role in establishing the importance of educational institution in the society. The feedback on overall performance of the institution has been collected through online mode.As per the responses recieved , 100% strongly agreed that staff and students are committed to college values. All the respondents completely agree that they are enjoying the college culture and feel connected to their colleagues.100% have opined that the facilities provided by college are well looked after & up to state standard . The staff agreed that the college provided sufficient equipment and books needed for teaching. They also felt that the college put equal emphasis on academic and other co-curricular activities. Approximately 93% of faculty agreed that govt. policies had a positive impact on the education sector in the last year and about 94% staff felt that semester system is better than the annual system .
